

SENATE BILL

No. 11

Introduced by Senator Ashburn

May 19, 2005

An act to amend Section 31724 of the Government Code, relating to county employees' retirement.

LEGISLATIVE COUNSEL'S DIGEST

SB 11, as introduced, Ashburn. County employees' retirement: disability retirement.

The County Employees Retirement Law of 1937 authorizes a member of a county retirement system to be retired for disability. Under this law, if proof of disability, including any medical examination, shows to the satisfaction of the retirement board that the member is permanently incapacitated, either physically or mentally, for the performance of service duties, the board shall retire that member effective on the expiration date of any leave of absence with compensation to which that member is entitled to pursuant to specified provisions or effective upon the member's consent to retirement prior to the expiration of the leave of absence with compensation.

This bill would delete references to the board retiring the member effective on the expiration of any leave of absence with compensation and would instead provide that if the member is permanently incapacitated, either physically or mentally, for the performance of service duties, the board shall retire the member.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:
